### Report on the Audit of the Financial Statements

#### ***Opinions***

We have audited the accompanying financial statements of each major fund and the aggregate remaining fund information of the DeSoto County, Florida Clerk of the Circuit and County Courts (the Clerk) as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Clerk's financial statements, as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of each major fund and the aggregate remaining fund information of the Clerk as of September 30, 2024, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Clerk and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Emphasis of Matter***

As discussed in Note 1 to the financial statements, the financial statements referred to above were prepared solely for the purpose of complying with the *Rules of the Auditor General* of the State of Florida (the Rules). In conformity with the Rules, the accompanying financial statements are intended to present the financial position and changes in financial position, only for that portion of each major fund and the aggregate remaining fund information of DeSoto County, Florida that is attributable to the Clerk. They do not purport to, and do not, present fairly the financial position of DeSoto County, Florida as of September 30, 2024, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## INDEPENDENT AUDITOR'S REPORT

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Clerk's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Clerk's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Clerk's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Honorable Nadia Daughtrey  
Clerk of the Circuit and County Courts  
DeSoto County, Florida

## INDEPENDENT AUDITOR'S REPORT

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the budgetary comparison schedule, as listed in the table of contents, be presented to supplement the financial statements. Such information is the responsibility of management and, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Clerk's financial statements. The accompanying combining statements of fiduciary net position and changes in fiduciary net position are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying combining statements of fiduciary net position and changes in fiduciary net position are fairly stated, in all material respects, in relation to the financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 28, 2025, on our consideration of the Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Clerk's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clerk's internal control over financial reporting and compliance.

**DESOTO COUNTY, FLORIDA**  
**CLERK OF THE CIRCUIT AND COUNTY COURTS**  
**NOTES TO FINANCIAL STATEMENTS**  
**SEPTEMBER 30, 2024**

**Note 1 - Summary of Significant Accounting Policies**

The following is a summary of the significant accounting principles and policies used in the preparation of the financial statements.

**Reporting Entity**

DeSoto County, Florida (the County) is a political subdivision of the State of Florida. It is governed by an elected Board of County Commissioners (the Board) and an appointed County Administrator. The County Administrator is responsible for the administration of all departments of which the Board has the authority to control pursuant to the general laws of Florida.

The DeSoto County, Florida Clerk of the Circuit and County Courts (the Clerk) is an elected constitutional officer of the County as provided by the Constitution of the State of Florida. The Clerk is responsible for the administration and operation of the Clerk's office, including the Circuit and County court systems.

Certain costs of the court systems (communications services; existing radio systems; existing multiagency criminal justice information systems; and the cost of construction or lease, maintenance, utilities, and security of facilities for the trial courts, public defenders' offices, and state attorneys' offices) are required by Article V, *Florida Constitution*, to be funded by the Board. Such costs are not included herein.

For financial statement reporting purposes, the Clerk is deemed to be a part of the primary government of the County and, therefore, is included as such in the County's annual financial report.

**Basis of Presentation**

The accompanying financial statements include all the funds and accounts of the Clerk's office but are not a complete presentation of the County as a whole. Except for this matter, they are otherwise in conformity with accounting principles generally accepted in the United States of America (GAAP). The accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.557(4), *Rules of the Auditor General - Local Governmental Entity Audits*.

The financial transactions of the Clerk are recorded in individual funds. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. These funds are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

GAAP sets forth minimum criteria (percentage of assets, liabilities, revenues, and expenditures of each fund category) for the determination of major funds. Major funds are reported separately in the financial statements of the Clerk.

The Clerk reports the following major governmental funds:

■ **Governmental Funds**

- **General Fund**—is a governmental fund used to account for all revenues and expenditures applicable to the general operations of the Clerk that are not accounted for in another fund.

**DESOTO COUNTY, FLORIDA**  
**CLERK OF THE CIRCUIT AND COUNTY COURTS**  
**NOTES TO FINANCIAL STATEMENTS**  
**SEPTEMBER 30, 2024**

- **Public Records Trust Fund**—is a special revenue fund used to account for recording fees, licenses, and investment income on the money restricted for record modernization. Revenues from the operational, clerical, and administrative functions of the Clerk’s court activities are also accounted for here.

In addition, the Clerk also reports the following other fund type:

■ **Fiduciary Funds**

- **Custodial Funds**—funds are used to account for assets received and held by the Clerk on behalf of outside parties, including other governments. Custodial funds are used to report resources held by the reporting governments in a purely custodial capacity. Custodial funds typically involve only the receipt, temporary investment, and remittance of custodial resources to individuals, private organizations, or other governments. The Clerk reports activity for four Custodial funds: Registry of Court, Special Trust, Fine and Forfeiture, Documentary Stamp and Intangible Tax, and Child Support.

**Funding of Clerk Activities**

With the implementation of Revision 7 to Article V on July 1, 2004, the Clerk’s activities are now classified as either court or non-court. Both the court and non-court activities are reported within the Clerk’s general fund.

The non-court activities are funded through service charges for recording instruments and documents into the official records, and through transfers in from the Board.

The court activities are funded by fines, fees, service charges, and court cost collections, plus a monthly state appropriation for the projected deficiency. Beginning in 2014, the state appropriation represented an allocation from the Clerks of Court Operations Corporation (CCOC), pursuant to a contract between the CCOC and the Chief Financial Officer of the State of Florida.

The Public Records Trust Fund is funded by a portion of recording fees and 10% of the collections of court-related fines, fees, service charges, and court cost collections.

**Basis of Accounting**

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements, and also refers to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available to finance expenditures of the current period. The Clerk considers receivables collected within 30 days after year-end to be available and recognizes them as revenues of the current year. Expenditures are recorded when the liability is incurred, except for accumulated sick and vacation pay, which are not recorded until paid. Fiduciary funds are accounted for using the accrual basis of accounting.

**DESOTO COUNTY, FLORIDA**  
**CLERK OF THE CIRCUIT AND COUNTY COURTS**  
**NOTES TO FINANCIAL STATEMENTS**  
**SEPTEMBER 30, 2024**

**Measurement Focus**

The accounting and financial reporting treatment applied to the capital assets and long-term liabilities associated with a fund are determined by its measurement focus. All governmental funds are accounted for on a spending or “financial flow” measurement focus. This means that generally, only current assets and current liabilities are included in the balance sheet.

Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in fund balance. Accordingly, they present a summary of sources and uses of “available spendable resources” during a period.

The custodial funds are accounted for using an economic resource measurement focus and require a resource flow statement. The Clerk reports aggregated totals for additions and aggregated totals for deductions of custodial funds in which resources, upon receipt, are normally expected to be held for three months or less. The descriptions of the aggregated totals of additions and deductions indicate the nature of the resource flows.

**Budgetary Requirement**

The budget for the Clerk’s general fund consists of two parts: a budget for non-court activities approved by the Board (the Board Budget), and a budget for court activities approved by the CCOC (the State Budget). Both budgets are on a basis consistent with GAAP. The budget adopted for the Public Records Trust Fund is internally developed and approved budgets, with no legal level of budgetary control.

Budgetary control in the Board Budget is generally at the total appropriations level (before transfers out). Budgetary changes within the total Board Budget are made at the discretion of the Clerk. Amendments that increase total appropriations (before transfers out) must be submitted to the Board. In the case of the State Budget, budgetary control is also at the total appropriations level (including reserves but excluding intergovernmental expenditures). Amendments must be approved by the CCOC.

Included in the required supplementary information (RSI) section of the accompanying financial statements is a budget to actual comparison for the general fund. Expenditures for the general fund are segregated between the State and the Board Budgets to illustrate budgetary compliance. As described in the note to RSI, the Public Records Trust Fund expenditures are restricted by statute and are not included in the RSI.

**Supplemental Funding and Return of “Excess Fees”**

The operations of the Clerk are approved and primarily funded from fees and charges authorized under Florida Statutes and supplemental appropriations from the CCOC or the Board. For non-court activities, the supplemental funding from the Board is recorded as transfers in on the accompanying statement of revenues, expenditures, and changes in fund balance. Any excess of revenues and transfers in over expenditures for non-court activities (including child support activities) for the year ended September 30 are reported as transfers out and due to the Board and are payable by October 31.

For court activities, the supplemental funding from the CCOC is recorded as intergovernmental revenue on the accompanying statement of revenues, expenditures, and changes in fund balance. The amount returned, if any, is recorded as reversion to the State of Florida under other financing sources (uses). For

**DESOTO COUNTY, FLORIDA

NOTES TO FINANCIAL STATEMENTS

the period October 1, 2023 through September 30, 2024, the amount recorded as due to other governments includes \$64,206 of September 2024 revenues that can be retained to fund 2025 expenditures, as well as \$260,641, which is due to the state.

**Deferred Inflows/Unavailable Revenues**

Deferred inflows represent revenues that have been earned but are not available (because they were received more than 30 days after year-end).

**Fund Balances**

Fund balance classifications comprise a hierarchy based primarily on the extent to which the organization is bound to honor constraints on the specific purpose for which amounts in the funds can be spent. Fund balance is reported in five components—non-spendable, restricted, committed, assigned, and unassigned:

- **Non-Spendable**—This component of fund balance consists of amounts that cannot be spent because: (a) they are not expected to be converted to cash, or (b) they are legally or contractually required to remain intact. Examples of this classification are prepaid items, inventories, and principal (corpus) of an endowment fund. The Clerk does not have any non-spendable fund balances.
- **Restricted**—This component of fund balance consists of amounts that are constrained either: (a) externally by third parties (creditors, grantors, contributors, or laws or regulations of other governments), or (b) by law through constitutional provisions or enabling legislation.
- **Committed**—This component of fund balance consists of amounts that can only be used for specific purposes pursuant to constraints imposed by formal action (e.g., policy) of the organization’s governing authority. By statute, the Clerk herself is the governing authority. These committed amounts cannot be used for any other purpose unless the Clerk removes or changes the specified use by taking the same type of action (e.g., policy) she employed to constrain those amounts. The Clerk does not have any committed fund balances.
- **Assigned**—This component of fund balance consists of amounts that are constrained by a less-than-formal action of the organization’s governing authority, or by an individual or body to whom the governing authority has delegated this responsibility. The Clerk has not delegated the responsibility to assign fund balances to any individual or body.
- **Unassigned**—This classification is used for: (a) negative unrestricted fund balances in any governmental fund, or (b) fund balances within the general fund that are not restricted, committed, or assigned.

When both restricted and unrestricted resources are available for use, it is the Clerk’s policy to use restricted resources first, then unrestricted resources (committed, assigned, and unassigned), as they are needed. When unrestricted resources (committed, assigned, and unassigned) are available for use, it is the Clerk’s policy to use committed resources first, then assigned, and then unassigned, as needed.

**DESOTO COUNTY, FLORIDA  
CLERK OF THE CIRCUIT AND COUNTY COURTS  
NOTES TO FINANCIAL STATEMENTS  
SEPTEMBER 30, 2024**

**Compensated Absences**

All full-time employees of the Clerk are entitled to leave with pay. The employees may accumulate unused leave up to a maximum based on their years of service as follows:

<u>Service Years</u>	<u>Maximum Accumulation (Hours)</u>
1	80
2-5	200
6-10	250
11-15	300
16+	400

Employees leaving the office in good standing may be entitled to receive compensation subject to funding availability, at the Clerk’s discretion and at the percentage of the Clerk’s discretion. The Clerk does not, nor is legally required to, accumulate financial resources for these unmatured obligations. Accordingly, the liability for compensated absences is not reported in the governmental funds but rather is reported in the basic financial statements of the County.

**Use of Estimates**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the amounts reported and disclosed in the accompanying financial statements and notes. Actual results could differ from those estimates.

**Note 2 - Cash and Investments**

At year-end, the carrying amount of the Clerk’s deposits was \$1,650,388 (\$446,942 in governmental funds and \$1,203,446 in fiduciary funds). All of the Clerk’s public deposits are held in qualified public depositories (QPDs) pursuant to Florida Statutes, Chapter 280. Under this Chapter, each QPD is required to pledge collateral to the State Treasurer against the public deposits. In the event of default by a QPD, all claims for public deposits would be satisfied by the State Treasurer from the proceeds of federal deposit insurance, pledged collateral of the QPD in default and, if necessary, assessments against other QPDs of the same type as the depositor in default.

In addition to cash deposits, the Clerk maintains cash on hand for the purpose of making change on transactions. At September 30, 2024, the Clerk held \$1,880 in cash on hand.

**Investments**

The Clerk has not adopted an investment policy and so, by statute, follows the state’s guidance set forth in Section 219.075, Florida Statutes, regarding the deposit of funds received and the investment of surplus funds. That Section requires local governments without written investment policies, including County officers, to follow the state policy in Section 218.415(17), Florida Statutes. That Section authorizes the following investments:

- The Local Government Surplus Funds Trust Fund, or any intergovernmental investment pool authorized pursuant to the *Florida Interlocal Cooperation Act*, as provided in Florida Statute 163.01.

**DESOTO COUNTY, FLORIDA

- Securities and Exchange Commission registered money market funds with the highest credit rating from a nationally recognized rating agency.
- Interest-bearing time deposits or savings accounts in QPDs.
- Direct obligations of the United States Treasury.

The Clerk does not have policies that address credit risk, custodial credit risk, or interest rate risk. The Clerk had no investments at year-end, or during the year.

**Note 3 - Capital Assets**

The tangible personal property used by the Clerk in its governmental fund operations is reported as capital assets in the statement of net position in the County’s basic financial statements. Upon acquisition, such assets are recorded as expenditures in the governmental fund types of the Clerk and capitalized at cost in the capital asset accounts of the County. The Clerk maintains custodial responsibility for the capital assets used by her office.

**Note 4 - Compensated Absences**

The amount of compensated absences payable under the Clerk’s leave policy is reported as a liability in the statement of net position in the County’s basic financial statements. That liability is based on earned but unused leave time (vacation and sick) at current pay rates, plus *Federal Insurance Contributions Act* taxes related thereto. Leave time is accrued per the policy based on length of employment, is payable at 100% upon retirement in good standing, and is capped at 400 hours depending on years of service. The policy explains that payouts for unused leave time are subject to funding availability.

The change in compensated absences during the year is as follows:

<u>Balance</u> <u>October 1,</u> <u>2023</u>	<u>Additions</u>	<u>Retirements</u>	<u>Balance</u> <u>September 30,</u> <u>2024</u>	<u>Due</u> <u>Within</u> <u>One Year</u>
\$ 49,260	\$ 34,758	\$ (43,360)	\$ 40,658	\$ 4,066

These liabilities are not reported in the financial statements of the Clerk but rather are reported in the basic financial statements of the County.

**Note 5 - Florida Retirement System (FRS) Pension Benefits**

The Clerk participates in the FRS for pension benefits. A detailed plan description and any liability for employees of the Clerk are included in the financial statements of the County.

**Note 6 - Postemployment Benefits Other Than Pensions**

The Clerk participates in the plan established by the Board to provide other postemployment benefits to retirees of the Board and Constitutional Officers. A detailed plan description and any liability for employees of the Clerk are included in the financial statements of the County.

**Note 7 - Risk Management**

The Clerk's office is covered for employee medical, workers' compensation, liability, and casualty risks by the Board. The Board provides coverage as a member of a public risk management pool in amounts that the Board feels are adequate.

The Clerk is also protected under sovereign immunity up to a maximum of \$200,000 per person/\$300,000 per occurrence for claims against the Clerk involving negligence, including automobile and general liability. Negligence claims in excess of the statutory limits set forth in Section 768.28, Florida Statutes, can only be recovered through an act of the State of Florida Legislature.

**Note 8 - Litigation and Contingencies**

From time to time, the office of the Clerk is involved as a defendant in certain litigation and claims arising from the ordinary course of operations. In the opinion of legal counsel, the range of potential liabilities will not materially affect the operations of the Clerk's office or the financial position of the County, which would be required to fund any claim payments.

**Note 9 - Change in Reporting Entity**

In the current year, the Documentary Stamp and Intangible Tax Fund is reported as custodial fund after being reported as a major special revenue fund in the prior year. This fund no longer meets the criteria to be recognized as a special revenue fund, and is reported as a custodial fund in the current year. There was no beginning fund balance to restate as of September 30, 2023, so there were no adjustments made to the financial statements due to this change in reporting entity.

## **OTHER REPORTS**

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Nadia Daughtrey  
Clerk of the Circuit and County Courts  
DeSoto County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of each major fund and the aggregate remaining fund information of the DeSoto County, Florida Clerk of the Circuit and County Courts (the Clerk) as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Clerk's financial statements, and have issued our report thereon dated January 28, 2025.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Clerk's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Clerk's internal control. Accordingly, we do not express an opinion on the effectiveness of the Clerk's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Clerk's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Clerk's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on

the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
